MEADE is a one-time parody published by Don Sakers & Thomas G. Atkinson, Meerkat Meade, 811 Camp Meade Road, Linthicum, MD 21090-3030. Email mail@meerkatmeade.com. Entire contents copyright © 2004, Don Sakers. All rights reserved. No, the rest of the magazine didn't get lost in the envelope; this is all there is. In case you don't get the joke, this is a masterful parody of the contents page of MAD Magazine from the 1970s-1980s. Not responsible for damage to eyesight from reading tiny type. What, us worry? Printed on 100% pre-consumer paper made from innocent young saplings cut down at the very dawn of their lives. And don't blame us, we didn't vote for the idiot.
